NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are accustomed to gunshot and live birds.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Test Committee, be asked to leave the test site. In such case, no refund of any fees paid will be made. IWSCA and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators.

IWSCA reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against IWSCA or any official thereof.

All dogs must be on leash at all times when on trial grounds except the dog being tested. No pinch/prong, electric or special training collars are allowed on the test grounds.

Exhibitors are responsible for airing their dogs in designated spots and cleaning up after themselves, leaving nothing behind but their footsteps.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Test Committee.

After the closing date handlers must notify the Test Secretary BEFORE the start of judging if dogs will be absent. Refunds will be given only for dogs withdrawn for the following reasons: Bitch in season, illness of the dog, injury to the dog, or death of the dog. Refunds will only be made upon written application to the Test Secretary and submission of appropriate Veterinarian's certificate within two weeks of the test.

Handlers and dogs may arrive any time prior to the start of the test but there will be no training of dogs on the grounds within 24 hours of the start of, nor during, the test.

Judges are not required to wait for dogs. The owner of the dog is solely responsible for having it ready when their number is called. The Club has no responsibility for providing service through a public address system or runners for the purpose of calling or locating dogs that are not brought to the line when required.
